

A 3D rendering of a metal pipe with a hexagonal nut and a red band. The pipe is shown at an angle, with the nut on the left and the red band in the middle. The pipe has a threaded end on the left and a smooth end on the right. The red band is a solid red ring around the pipe. The background is white.

technical parameter					
Working oil pressure	MPa	≤ 21	Hexagon size	mm	— —
